# Colour Palette

Carefully curated in-house, our non-toxic, odourless, low emission and eco-friendly bespoke paint range offers something different.

Discover deeper, richer tones; classic and delicate neutrals; and shades designed to bring joy.

Standard White, Rosewood and Gold Oak stains on external side only also available.

You can choose a colour for both inside and out, and they don't need to match.

# Visage<sup>®</sup>

\*Not all door styles are available in all the standard, premium and stains available - see colour guide in the latest Visage brochure. Rosewood and Gold Oak stains are only available on external side with white or bespoke colour on the inside. Bespoke coloured doors can be painted on one or both sides. Important note: due to the nature of the process together with the different materials/substrates relative to the door skins, glazing cassettes, door frame and Renolit foil film then colour shade and gloss level variation will inevitably occur from one another and the swatches shown. Door, glass and colours shown should be used for guidance only as the limitations in photographic and printing processes may mean that colours of products vary from those illustrated. Visage reserve the right to alter specifications without prior notice. Reproduction of this brochure in whole or part is strictly forbidden without prior written consent.
